The FASB's agenda request. Change may be on the horizon. In August 2016, the FASB requested comments on whether their future agenda should include a project on the accounting for intangible assets, including research and development.

Revisiting accounting for software development costs: PwC

The fundamental accounting equation, also called the balance sheet equation, represents the relationship between the assets, liabilities, and owner's equity of a person or business. It is the foundation for the double-entry bookkeeping system. For each transaction, the total debits equal the total credits. It can be expressed as further more. = + = + = + = +

Managerial Accounting and Managerial Accounting Practices

In bookkeeping, accounting, and finance, Net sales are operating revenues earned by a company for selling its products or rendering its services. Also referred to as revenue, they are reported directly on the income statement as Sales or Net sales.. In financial ratios that use income statement sales values, "sales" refers to net sales, not gross sales. ...
