Word classes may be either open or closed. An open class is one that commonly accepts the addition of new words, while a closed class is one to which new items are very rarely added. Open classes normally contain large numbers of words, while closed classes are much smaller. Typical open classes found in English and many other languages are nouns, verbs (excluding auxiliary verbs, if these are ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
