To S.A. I loved you, so I drew these tides of men into my hands and wrote my will across the sky in stars To earn you Freedom, the seven-pillared worthy house, that your eyes might be shining for me When we came.

Seven Pillars of Wisdom - Project Gutenberg Australia

Northern Ireland is the smallest country in the United Kingdom. It makes up part of the UK along with England, Scotland and Wales, but is situated on an island in Western Europe called Ireland.. Northern Ireland takes up one-sixth of Ireland, while the rest of Ireland is an independent nation, the Republic of Ireland.. Despite its small geographical size, Northern Ireland is a country of ...

Romanesque art is the art of Europe from approximately 1000 AD to the rise of the Gothic style in the 12th century, or later, depending on region. The preceding period is known as the Pre-Romanesque period. The term was invented by 19th-century art historians, especially for Romanesque architecture, which retained many basic features of Roman architectural style - most notably round-headed ...

The jury has been deeply impressed by the consistent quality in Emma Nishimura's body of work. The artist explores notions of memory and how history is interpreted and re-negotiated, through a varied use of traditional and contemporary printmaking techniques.

The Queen Sonja Print Award

This artistic map of a green walking route in central London has been created by graphic designer Helen Ilus. By showing just the parks that are the focus of the walk, and not the rest of London's hustle and bustle, it is an effective and attractive way of highlighting the walk.
